The *Mildred Rose* sailed to Cottage Park Yacht Club from Hingham Bay. We took advantage of the great sailing weather and sailed about 4 hours across Boston Harbor. We then picked up a mooring at Cottage Park.

The group gathered Friday evening at Cottage Park Yacht Club for dinner and conversation. It was great seeing all of our friends again and talking about our sailing adventures. Of course the dinner was fabulous. The 'Make Your Own Sundae' bar was a hit with the members as well. All for a bargain price of \$10.00. Everyone was happy and full!!

Everyone was having such a great time that we missed the last shuttle back to our boats. Alternative transportation had to be found! This proved to be quite an adventure!! Our host, Captain Mike, and our Cruise Captain Barbara, had to tow us out to our boats. It was like a new theme park ride "*Ping Pong Boat*". We had to dodge the boats and mooring balls. A few mishaps, and lots of giggles later, we were safely back on our boats. Next time we will remember to bring the oars to help steer, and of course, our PFD's.

After a goods night sleep, we woke to a beautiful Saturday morning. SW winds were 10-15 knots. Perfect sailing weather!! At the Captains meeting we decided to split into 2 groups. One group sailed to *Worlds End*, and the other 4 boats sailed to *Cohasset Harbor* for the day.

The Mildred Rose went to Cohasset with 3 of her friends, Karamel, Spice, and the Janice Lauslie. It was a perfect 3 hour sail into the harbor.

Our timing was perfect, it was almost low tide when we arrived and the sandbar was visible.

We rafted up for lunch

And then went for a swim.

We waded out to the sandbar and walked around taking in all the sights.

The tide was starting to come in and the sandbar slowly disappearing, it was time to head back to the boats.

Another great 3 hour sail back and it was time to eat, Again!

After dinner we all helped ourselves to a wonderful “low calorie” dessert.

We had a wonderful weekend sailing with the group, and special thanks to our host, Mike for arranging for us to use the privileges of the yacht club.

THANKS MIKE

The *Mildred Rose* and crew is looking forward to our next rendezvous. Sailing is great but sailing with friends is even better!!
